Following on from our successful BERA Literacy and Language one day conference held in April 2009, The Institute of Education at the University of Reading is delighted to announce our second event. The day is intended to represent a range of topics and methodologies and to bring researchers together to exchange ideas and experiences as well as to help build capacity in the field.

Due to the unexpected level of interest at our previous event, we will be limiting the numbers of papers accepted. If you are interested in presenting a paper, please email a 200 word abstract to Carol Fuller c.l.fuller@reading.ac.uk no later than January 8th 2010. You will be notified of the outcome by February 1st 2010.

If you would like to attend the day, please return your completed booking form by April 9th 2010. Please note that there will be a small, non-refundable registration fee of £20.
